

WARNING POST HOLE CLEANING SPOON

Any piece of equipment can be dangerous if not operated properly. **YOU** are responsible for the safe operation of this equipment. The operator must carefully read and follow any warnings, safety signs and instructions provided with or located on the equipment. Do not remove, defeat, deface or render inoperable any of the safety devices or warnings on this equipment. If any safety devices or warnings have been removed, defeated, defaced, or rendered inoperable, **DO NOT USE THIS EQUIPMENT!!!**

 **WARNING:** This product can expose you to chemicals including Chromium from steel products, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65warnings.ca.gov

WARNING: Use of this product can create dust containing chemicals which may cause respiratory or other illnesses. Some examples of these chemicals are compounds found in pesticides, insecticides, fertilizers & herbicides. Your risk from these exposures varies, depending on how often you do this type of work. To reduce your exposure to these chemicals: work in a well-ventilated area, & work with approved safety equipment, such as those dust masks that are specially designed to filter out microscopic particles.

DANGER: This equipment has sharp edges and creates multiple pinch points. Keep hands, feet, and all other body parts clear at all times.

Always wear; sturdy nonslip work boots, safety glasses, gloves, and dust mask when using this post hole cleaning spoon.

Smart digging means calling 811 before each job. Whether you are a homeowner or a professional excavator, one call to 811 gets your underground utility lines marked for FREE

This post hole cleaning spoon is designed with a scoop shape to allow cleaning of mud, water and backfill from holes and sewers. Some have handles with footage marked on them to indicate the depth of the hole.

As always, be careful when using shovels and spoons. Handles are made of wood and wood can break. Shovels are not to be used as pry bars or have leverage applied to them.

If the person receiving this handout will not be the user of the equipment, forward these instructions to the operator. If there is any doubt as to the operation or safety of the equipment, **DO NOT USE!!! CALL A TOOL SHED IMMEDIATELY!!! FAILURE TO FOLLOW THESE INSTRUCTIONS COULD RESULT IN INJURY OR DEATH**
