Always wear proper personal protective equipment, including gloves, sturdy nonslip work boots, dust mask, and eye protection whenever using this equipment!

Super aggressive Steel Wire used for stripping and scrubbing rough concrete floors and surfaces.

- Steel Wire Brush for stripping and scrubbing rough concrete floors and surfaces.
- Designed to fit 17 Inch machines, this 16 Inch Brush Block spreads bristles to 17 inches of cleaning coverage with its 1.75-inch bristles.
- The Clutch Plate (attaches brush block to machine) is a three-metal lug design.
- High Carbon Steel 30 Gauge .010 Wire Fill.
- Note: Do not use brush with flammable materials (fuels, solvents, thinner, etc.) as serious bodily harm or injury could result from possible fire or explosion.

If you have tough, ground in stains, then this wire floor brush could be just right for your needs. This brush is our most aggressive for removing the heaviest dirt on your hard floor surface. Make sure to wear gloves when handling this brush. The sharp bristles are excellent for special stripping, scraping, and scouring tasks.

If the person receiving this handout will not be the user of the equipment, forward these instructions to the operator. If there is any doubt as to the operation or safety of the equipment, **DO NOT USE!!! CALL A TOOL SHED IMMEDIATELY!!! FAILURE TO FOLLOW THESE INSTRUCTIONS COULD RESULT IN INJURY OR DEATH**
