LIABILITY INSURANCE. Customer shall maintain liability insurance covering the operation and use of the vehicle by customer, with limits for bodily injury and property damage at least as high as those required by the Financial Responsibility Laws of the state in which the vehicle is operated and used by Customer. Upon request of Rental Center, Customer shall furnish the name of his insurance agent, insurance company and complete information concerning the liability insurance coverage carried. In the event of Customer's breach of this Rental Agreement by failure to have or obtain such liability insurance, any insurance coverage which may apply to Customer under Rental Center's insurance coverage (which shall be secondary to Customer's insurance coverage) while Customer is operating and using the vehicle is limited to the amounts set forth in the financial responsibility laws contained in California Vehicle Code Section 16056, with a maximum limit of fifteen thousand dollars (\$15,000.00) for bodily injury to or death of one person in any one accident, and subject to such limit for one person, the amount of thirty thousand dollars (\$30,000.00) because of bodily injury to or death of two or more persons in any one accident, and the amount of five thousand dollars (\$5,000.00) for damage to property of others as a result of any one accident, or the amounts specified in any amendment to said law.

Note: The driver must have a valid driver's license, meet rental center's minimum age requirement, and accept the conditions herein and on the stated Rental Agreement.

I have read, discussed and understand the terms and conditions of this agreement and agree to be bound thereto. Signing personally and for the Customer:

WARNING DUMP TRUCK SAFETY

Any piece of equipment can be dangerous if not operated properly. **YOU** are responsible for the safe operation of this equipment. The operator must carefully read and follow any warnings, safety signs and instructions provided with or located on the equipment. Do not remove, defeat, deface, or render inoperable any of the safety devices or warnings on this equipment. **IF** any safety devices or warnings have been removed, defeated, defaced, or rendered inoperable, **DO NOT USE THIS EQUIPMENT!**

WARNING Putting contaminated or incorrect fluid into the DEF tank will destroy the DPF Filter. Internal or Physical Damage to the DPF Filter located under the right-hand step IS NOT Covered by the Equipment Protection Plan.

Replacement DPF Filter cost can exceed \$15,000 Dollars.

>> BEFORE REFUELING THIS TRUCK VERIFY IF IT USES DIESEL OR GAS<<

This equipment is subject to Section 2449 (d)(3) California Code of Regulations

(A) **Idling Limit** - No vehicle or engines subject to this regulation may idle for more than 5 consecutive minutes. Idling of a vehicle that is owned by a rental company is the responsibility of the renter or lessee, and the rental agreement should so indicate. The idling limit does not apply to:

1. idling when queuing, 2. idling to verify that the vehicle is in safe operating condition, 3. idling for testing, servicing, repairing or diagnostic purposes, 4. idling necessary to accomplish work for which the vehicle was designed (such as operating a crane), 5. idling required to bring the machine system to operating temperature, and 6. idling necessary to ensure safe operation of the vehicle.

⚠WARNING: Operating, servicing, and maintaining this equipment can expose you to chemicals including engine exhaust, carbon monoxide and lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. To minimize your exposure, avoid breathing exhaust, do not idle the engine except as necessary, operate and service your equipment in a well-ventilated area and wear gloves or wash your hands frequently when servicing your equipment. For more information go to www.P65warnings.ca.gov

ACCIDENTS

Customer must report all accidents to the Rental Center no matter how minor whether you caused the accident or not and even if the accident occurred on private property.

DO NOT OVERLOAD. <<< **WARNING** >>> The maximum properly loaded carrying capacity of this truck is **26,000 LBS. GVWR.**

GVWR = Truck Weight + Load Weight + Trailer & Equipment.

The Customer is responsible for all damages and or fines incurred by overloading and these costs **ARE NOT** covered by the **Equipment Protection Plan**. Overloading could cause you to lose control of the truck, causing serious injury or death to you or others.

NOTE: The steel sideboards welded to the top of the bed **ARE NOT** to increase its capacity! They were installed to help stop debris from falling out. **DO NOT** fill the bed past the base of the sideboards.

LOAD COVERING. <<< **WARNING** >>> **California Law** requires you to cover your load. The Customer is responsible for all damages and or fines incurred by not covering their load and these costs **ARE NOT** covered by the **Equipment Protection Plan**. **Section 23114 (A)** of the California Vehicle Code states: No vehicle shall be driven or moved on any highway unless the vehicle is so constructed, covered, or loaded as to prevent any of its contents or load other than clear water or feathers from live birds from dropping, sifting, leaking, blowing, spilling, or otherwise escaping from the vehicle. **The Pull Trap IS NOT Covered by the Equipment Protection Plan.**

P.T.O. <<< WARNING >>> Do not drive dump truck with the P.T.O. engaged. Driving with the P.T.O. engaged will destroy the hydraulic pump. The Customer is responsible for all pump damage. Pump damage *IS NOT* covered by the *Equipment Protection Plan*.

IMPORTANT SAFETY RULES TO FOLLOW

1. Check all functions before operating.
2. Always stay clear of bed when raising or lowering. And never get under the bed when it is raised.
3. Keep bystanders away while loading or dumping.
4. Do not dump unless truck is on solid, level ground. Avoid side hill dumping. Do not dump on hills or uneven terrain. This could cause serious injury or death as rollover may occur.
5. Before driving truck warm up engine to normal operating temperature.
6. Riders are permitted in cab only. **ALWAYS WEAR YOUR SEATBELT!!**
7. Check behind vehicle before backing up. Sound the horn when backing up.
8. Adjust mirrors before leaving rental yard.
9. Set parking brake when not in motion.
10. Check fluid levels daily. Check tires and tire pressure daily. The recommended pressure is embossed on the side of the tire.
11. Maximum speed is 55mph or less if posted. Never exceed posted truck speed limits.
12. Do not drive while fatigued or under influence of alcohol or drugs. Be alert!!
13. This truck requires a greater braking distance and when loaded even greater. Allow a safe distance between yourself and the vehicle ahead. Avoid sudden stops.
14. Downshift before descending a long hill. Shift to the same gear (before starting down) that would be used driving up the same hill.
15. NEVER get under any vehicle when it is running.

PARKING Come to a complete stop and with your foot on the brake place the gear selector into "P" (Park) position then turn wheels into curb. Engage the parking brake and turn the ignition off. **NEVER** rely on the parking brake alone and **NEVER** leave the vehicle running unattended!

If the person receiving this handout will not be the user of the equipment, forward these instructions to the operator. **IF** there is any doubt as to the operation or safety of the equipment, **DO NOT USE!! CALL A TOOL SHED IMMEDIATELY!!! FAILURE TO FOLLOW THESE INSTRUCTIONS COULD RESULT IN INJURY OR DEATH**

Auto Accident Report Form

A Tool Shed, Inc

When an accident occurs:

<i>First Steps</i>	<i>Do Not Say</i>	<i>While Still at the Scene</i>
*Remain Calm *Get to a safe place *Check for injuries *Administer First Aid *Call police/EMT	*It's all my fault (even if it is) *My insurance will pay for everything. *It's OK, I have full coverage.	*Get as much information as possible on this report. *Take Pictures *When the police come, cooperate and tell them what you know.
