WARNING: Use of this product can create dust containing chemicals which may cause respiratory or other illnesses. Some examples of these chemicals are compounds found in pesticides, insecticides, fertilizers & herbicides. Your risk from these exposures varies, depending on how often you do this type of work. To reduce your exposure to these chemicals: work in a well-ventilated area, & work with approved safety equipment, such as those dust masks that are specially designed to filter out microscopic particles.

DANGER: This equipment has rotating parts. Keep hands, feet, and all other body parts clear at all times.

Always wear safety glasses, gloves, and dust mask when using this Seed Spreader.

Drop seeders are used to distribute granular product like grass seed and fertilizer. After loading the hopper with your choice of product, start pushing the seeder over your lawn and squeeze the handle to open the seeders distribution door. Overlap passes for best results.
